

**Neighbors West/Northwest**  
**Coalition of Central Westside Neighborhood Associations**

## Letter of Agreement

The Board of Directors of the Linnton Community Association and the Northwest Industrial Neighborhood Association due hereby agree to the following alteration in the boundaries of their respective neighborhood associations:

The area south of NW Kittridge Road, on both sides of Highway 30 (St. Helens Road), is part of the Northwest Industrial Neighborhood Association (NINA). The area north of NW Kittridge Road shall be apportioned as follows:

The area on the east side of Highway 30 (St. Helens Road) between NW Kittridge Road and the St. John's Bridge is, and will continue to be, located in the Northwest Industrial Neighborhood Association (NINA). The area on the west side of Highway 30 (St. Helens Road) between NW Kittridge Road and the St. John's Bridge will be considered part of the Linnton Community Association.

Commercial establishments located in the area on the west side of Highway 30 (St. Helens Road) between NW Kittridge Road and the St. John's Bridge, may apply to NINA for associate membership as provided for in the NINA bylaws, should they feel this is necessary to protect their commercial interests.

NINA agrees that the Linnton Community Association has a valid interest in any activities that take place in the area on the east side of Highway 30 (St. Helens Road) between NW Kittridge Road and the St. John's Bridge, and agrees to designate this section an "area of mutual concern" for both neighborhood associations. Neighbors West/Northwest will insure that Linnton receives notification of all land use, transportation, environmental etc. proposals for this area so the Linnton Neighborhood Association will be able to provide input to the relevant governmental body.

Both organizations also recognize that the Metro Central Transfer Station severely impacts both NINA and Linnton.

  
Paul Bingman  
President  
Linnton Community Assoc.

  
Charles Martin  
President  
Northwest Industrial  
Neighborhood Assoc.
